

After School Clubs

Help us start a club at your school.

The Supreme Court ruled in 2001 in Good News Clubs v. Milford Central School that Good News Clubs can meet in public schools after school hours on the same terms as other community groups.

Although CEF has many strong outreach ministries to children, After School Good News Clubs are especially important. We work in cooperation with public schools to supplement the children's education with biblical principles. Sound Bible teaching not only helps children grow spiritually, it also has a positive impact on their personal and home life, school performance, and decision-making skills.

Each week the teachers present an exciting Bible lesson using colorful materials from CEF Press. This action-packed time with the children also includes songs, Scripture memory, a missions story and review games or other activities focused on the lesson's theme.

Parents you can help us get permission to host a club at your child's school by filling out a Good News Club permission slip for your child today. For your permission slip contact us at our CEF both or office.

Churches nationwide are adopting public schools for Good News Club ministry. We have materials, training, and the help you need. To learn about adopting a school in your area, see us at the CEF booth or contact us at 919-779-2825, cefmrbbob@bellsouth.net or at www.cefgra.org

Your family, church, and CEF together can reach out to your community through After-School Good News Clubs!

CHILD EVANGELISM
FELLOWSHIP®

Reaching children worldwide™

What is Child Evangelism Fellowship?

CEF is a Bible-centered, worldwide organization, composed of born-again believers whose purpose is to evangelize boys and girls with the Gospel of the Lord Jesus Christ and to disciple them in the word of God and in the local church for Christian living.

CEF was founded in 1937 by Rev. J. Irvin Overholtzer, a man with a God given vision for boys and girls in need of the Savior. Today his vision lives on. Child Evangelism Fellowship is the world's largest mission agency ministering to children. Last year CEF reached over 7.9 million children in over 156 countries. With our unique ministries, training and materials we carry out the Great Commission. What began as a Bible club in a home has grown into a worldwide ministry. Right now children all around the world are hearing about the GOSPEL of Jesus Christ.

Our passion is to reach children who are not being reached with the Gospel of Jesus Christ! 85% of Christians receive Christ before the age of 14.

We work together with churches, schools, and communities so kids are able to hear and understand how to receive Christ as Lord and Savior and grow in their faith. Anywhere children are, CEF is working to reach them.

Our prayer is that you would join us as we work in the most spiritually productive harvest field anywhere –children. The worldwide population of children stands at over 3 billion and grows by 240,000 each day. Every 3 seconds a child dies in the world. Every 20 seconds in the United States, a child is arrested - every four minutes for drug abuse and every eight minutes for a violent crime. We have the answer. What a responsibility! That answer is Jesus Christ. You can be a vital part of bringing the life-changing message of Jesus to children where you live. Find out from us the many ways we can work together. What an opportunity! Let's serve Jesus Christ together for the children.

"Even so it is not the will of your Father which is in heaven, that one of these little ones should perish." Matthew 18:14
