Reaching children worldwide™

January 21, 2009

Dear Friends of the Children,

There are thousands of children in neighborhoods around you that do not attend church nor have they heard the good news of salvation through Christ. God has provided us with a spectacular opportunity to reach children of our area through the Children's Good News Spectacular.

This event will be held at the Dixie Classic Fairgrounds Joel Coliseum Annex, Winston-Salem, on Saturday, August 29, 2009 from 10 am to 3:00 pm. We will fill the Joel Coliseum Annex with a bungee run, an inflatable slide, moon bounces, obstacle courses, carnival games, illusion shows, puppets, clowns, and lots of fun. This God honoring event will be well-executed and professional.

The purpose of the event will be to reach the *unchurched*. We will draw them to a location where non-Christians feel comfortable and share a clear gospel presentation during the illusion shows. At the conclusion of each show, an invitation to receive Jesus as their personal Savior will be given. As each person leaves the Spectacular they will receive a sponsors' recognition packet including: an evangelistic tract, a Mailbox Club enrollment form and coupons.

It is our desire for children and their family to hear a clear presentation of the Gospel and be given an opportunity to accept Christ as Savior. God has directed us in 1 Corinthians 12:12-31 to work as a team. To accomplish this goal, your help is needed. We need volunteers for the various capacities listed below:
